*Where learning to fly is only the beginning...*

## April 2006 Newsletter

### Welcome New Students and members

Michael Herman - student/member

Javier Ortiz - student/member

**\*Note: The ARROW is moving back to the west ramp as of May 1, 2006**

### Achievements

Office expansion is getting close to being finished, with briefing rooms, and a simulator room. **Thank you to all the members that have donated their time and money.** Contact Jason Seavolt with questions about office expansion.

### Aircraft

**Sky hawk N75746** has a new Garmin 430 with terrain and is in the process of getting the interior replaced. **The Warrior** will be getting new interior next month. **Arrow** will be getting a new engine at the 100 hour inspection. Ask Joe Mak for details.

**The Cirrus is now online! Make your reservation today with Rob Drew to get checked out!**

### New CFII

**Brian Neil** approved for C-172, Warrior, Arrow, and Diamond.

**Kimberly Kelsey** approved for C-172, Warrior and Arrow.

**Ira Sprouse** approved for C-172, Warrior, Arrow, and Diamond.

### Important Note

Please check the website for the new code change. The new door code will start the 1<sup>st</sup> of April.

Any questions please contact CCA staff.
